

Guard House Buildings

Portable Guard House Buildings

ESS manufactures premium quality guardhouse buildings. Our buildings offer an efficient working environment for your on site security, ticket booth or scale house personnel.

Quality

Our durable guardhouse buildings are virtually maintenance free. Interior walls are finished with a vinyl covered gypsum panel and can be easily wiped down with a damp cloth. The exterior is a highly corrosion resistant, prepainted Galvalume steel siding. Customers can choose from a list of stock colours.

Specialty

ESS specializes in custom designs and will assist you in developing the best layout to suit your specific needs.

Design

Our factory-assembled design allows your building to be shipped complete and ready for immediate occupancy upon connection to your existing site services.

Optional

Various optional items are available such as: fixed or sliding windows: GPW or laminated safety glass; tinted glass; heat and air conditioning; work counters and cabinetry; transaction drawers; exterior lighting fixtures; roof overhangs, and washroom facilities to name a few.

Warranty

ESS portable buildings include one full year manufacturers warranty against defects in workmanship and materials.
