

Restroom / Shower / Locker Room

Hygienic Facilities

ESS manufactures high quality restroom/shower/locker room facilities. Our buildings provide a hygienic environment for your new or growing site requirements.

Quality

Thanks to the high quality of our buildings you are getting a premium product that has many business benefits such as quick installation, easy maintenance features and great portability.

Specialty

ESS specializes in custom designs and will assist you in developing the best layout to suit your specific needs.

Design

Our factory-assembled design allows your building to be shipped complete including full interior plumbing and electrical ready for connection to your existing site services.

Drawings

ESS provides detailed approval drawings showing the location and arrangement of restroom fixtures, plumbing connections and electrical components before production begins.

Optional

Various optional items are available: flush toilets, urinals, single sinks, multi-person sinks, emergency eye wash stations, private showers, lockers and barrier free fixtures to name a few.

Accessories

ESS also installs accessories such as toilet paper holders, soap dispensers, paper towel holders and wall hung mirrors.

Warranty

ESS portable buildings include one full year manufacturers warranty against defects in workmanship and materials.
