

## Portable In-plant Offices

### Portable In-plant Offices

ESS manufactures premium quality in-plant offices. Our offices offer an efficient working environment for your production and management personnel.

#### Quality

Our durable in-plant offices are virtually maintenance free. Walls are finished with a vinyl covered gypsum panel and can be easily wiped down with a damp cloth.

#### Specialty

ESS specializes in custom designs and will assist you in developing the best layout to suit your specific needs.

#### Design

Our pre-fabricated design allows your office to be shipped complete or assembled on site and ready for immediate occupancy upon connection to your existing site services.

#### Optional

Various optional items are available such as: fixed or sliding windows: GPW or laminated safety glass; heat and air conditioning; work counters; cabinetry, and non-slip flooring and steel siding to name a few.

#### Warranty

ESS Modular Offices include one full year manufacturers warranty against defects in workmanship and materials.
